ABOUT GGF USA

BORN FROM PASSION

The Global Gift Foundation USA is a 501 (C) (3) charity based in the US.

All over the world, women and children are suffering unnecessarily due to a lack of basic rights, poor resources and a insufficient support from those in power.

Drawing on the strength and dedication of our influential supporters, Global Gift Foundation USA vows to make a significant impact in the areas of poverty, health, education and social injustice, and to improve the lives of those in need.

ABOUT GGF USA

BETTER TOGETHER

The Global Gift Foundation USA partners with likeminded foundations, charities and nonprofit organizations to raise money in support of both internal and external projects led by partner NGO's, that focus on four areas:

CHILDREN • HEALTH
• WOMEN • SOCIAL CARE

Together, we will make an unparalleled impact and leave a legacy of change.

ADDITIONAL BENEFICIARY

Proceeds from the event will benefit Global Gift Foundation USA and inClusion ClubHouse

Linda Hall, actor Pooch Hall, best known for his role on BET's The Game and currently on Showtime's Emmy winning Ray Donovan & Family. Their oldest daughter age 19, has cerebral palsy.

inClusion ClubHouse is a nonprofit organization that creates opportunities for families of children, teens and young adults with special needs with recreational activities, social gatherings and resources. Our goal is to open recreation facilities to host all of the above while continuing to provide programs and support to the families. These centers will cater specifically to the needs of the least abled bodied person while focusing on the needs of the family as a whole and is a place where everyone feels welcome, accepted and loved.

inClusion ClubHouse: Each year more than 8,000 children are diagnosed with Cerebral Palsy and almost half a million children and adults in the U.S. show at least one symptom of the condition. inClusion ClubHouse will be a recreational center providing a safe, inclusive environment where children with developmental disabilities such as Cerebral Palsy and Down Syndrome can learn and play alongside typical-abled children.

Climb aboard for a magical carpet ride. Step into our Cave of Wonders and experience a whole new world of fun and excitement. Approx. 250 guests will enjoy lunch, and dance the afternoon away to the tunes of our Special Needs DJ in our magical Arabian Night's setting.

Prom is an exciting memorable highlight for most teens; however it is usually inaccessible to those with disabilities. As a result, the Special Needs Family Prom was created by Linda Hall and her husband, actor Pooch Hall, best known for his role on BET's The Game and currently on Showtime's Emmy winning Ray Donovan, whose daughter has cerebral palsy. Celebrity supporters such as **Ray Donovan** cast members and more have attended this signature fund raising event.

This year inClusion Clubhouse has joined forces with GGF USA to bring additional awareness and support to this vital cause.
